

Section 120.578

CHAPTER 96-159

Section 1. It is the intent of the Legislature to consider the impact of any agency rulemaking required by proposed legislation and to determine whether the proposed legislation provides adequate and appropriate standards and guidelines to direct the agency's implementation of the proposed legislation.

Section 23. Section 120.58, Florida Statutes, as amended by chapter 94-161, Laws of Florida, is hereby repealed.
