
SENATE SUMMARY

Provides that the proponents of legislation that provides for regulation of a profession or occupation not already subject to state regulation must furnish specified information to the state agency that is proposed to have jurisdiction over the regulation.

Renames the Division of Technology, Testing, and Training of the Department of Business and Professional Regulation as the Division of Technology, Licensure, and Training.

Updates references throughout the Florida Statutes to the name of that department as successor to the former Departments of Professional Regulation and Business Regulation. Reconciles certain problems in provisions related to professional regulation caused by different amendatory acts to the same sections of the statutes.
